

Trace of N

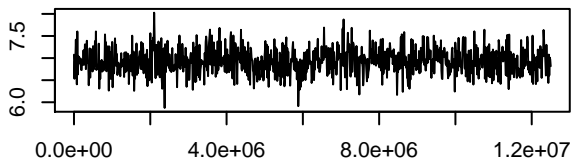

Iterations

Density of N

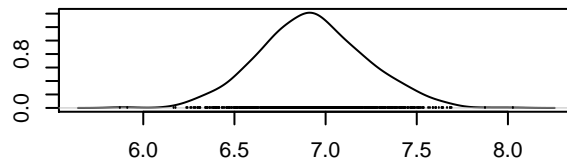

Trace of mu

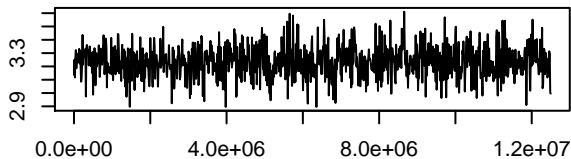

Iterations

Density of mu

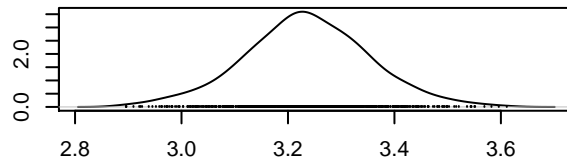

N = 1000 Bandwidth = 0.07648

Trace of sigma

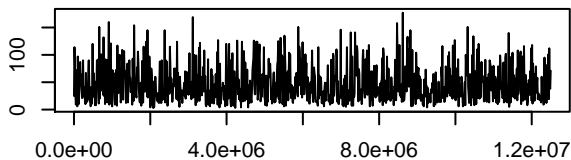

Iterations

Density of sigma

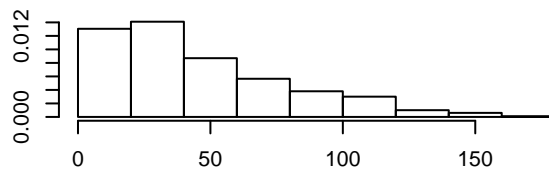

N = 1000 Bandwidth = 0.03003

Trace of degree1

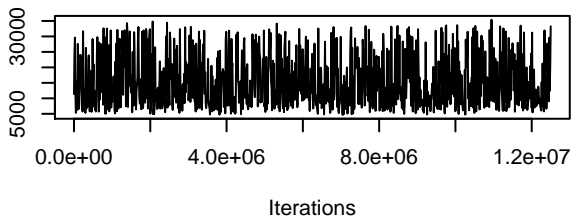

Iterations

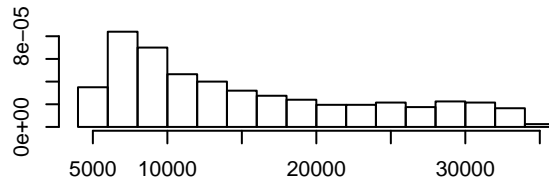

Density of degree1

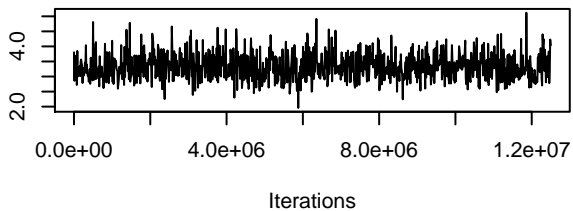

Trace of totalsize

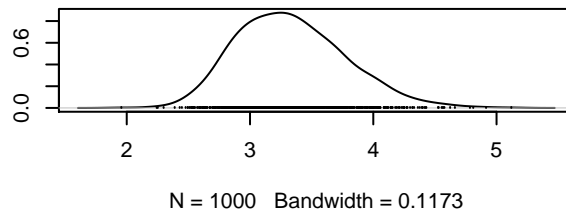

Density of totalsize

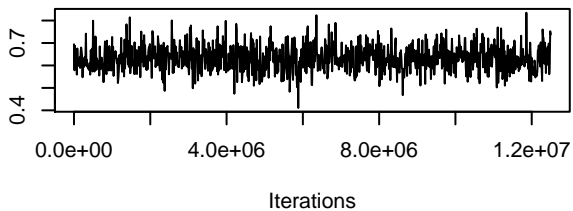

Trace of lambda

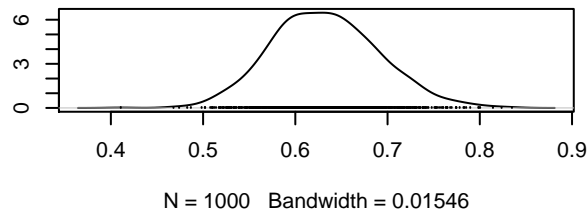

Density of lambda

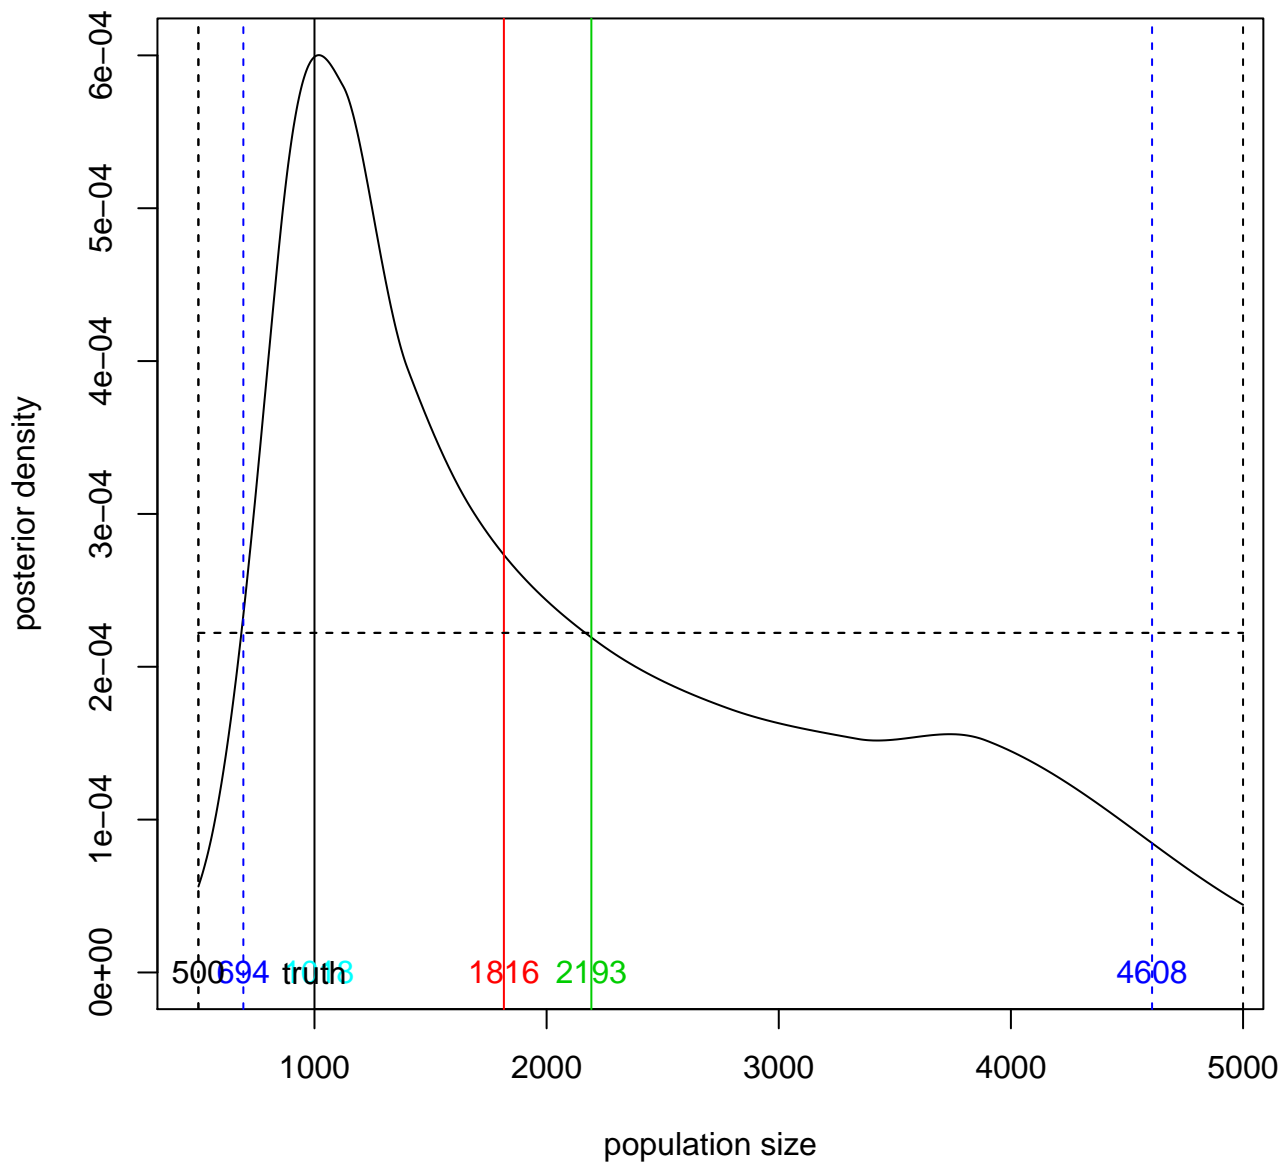

Trace of nu

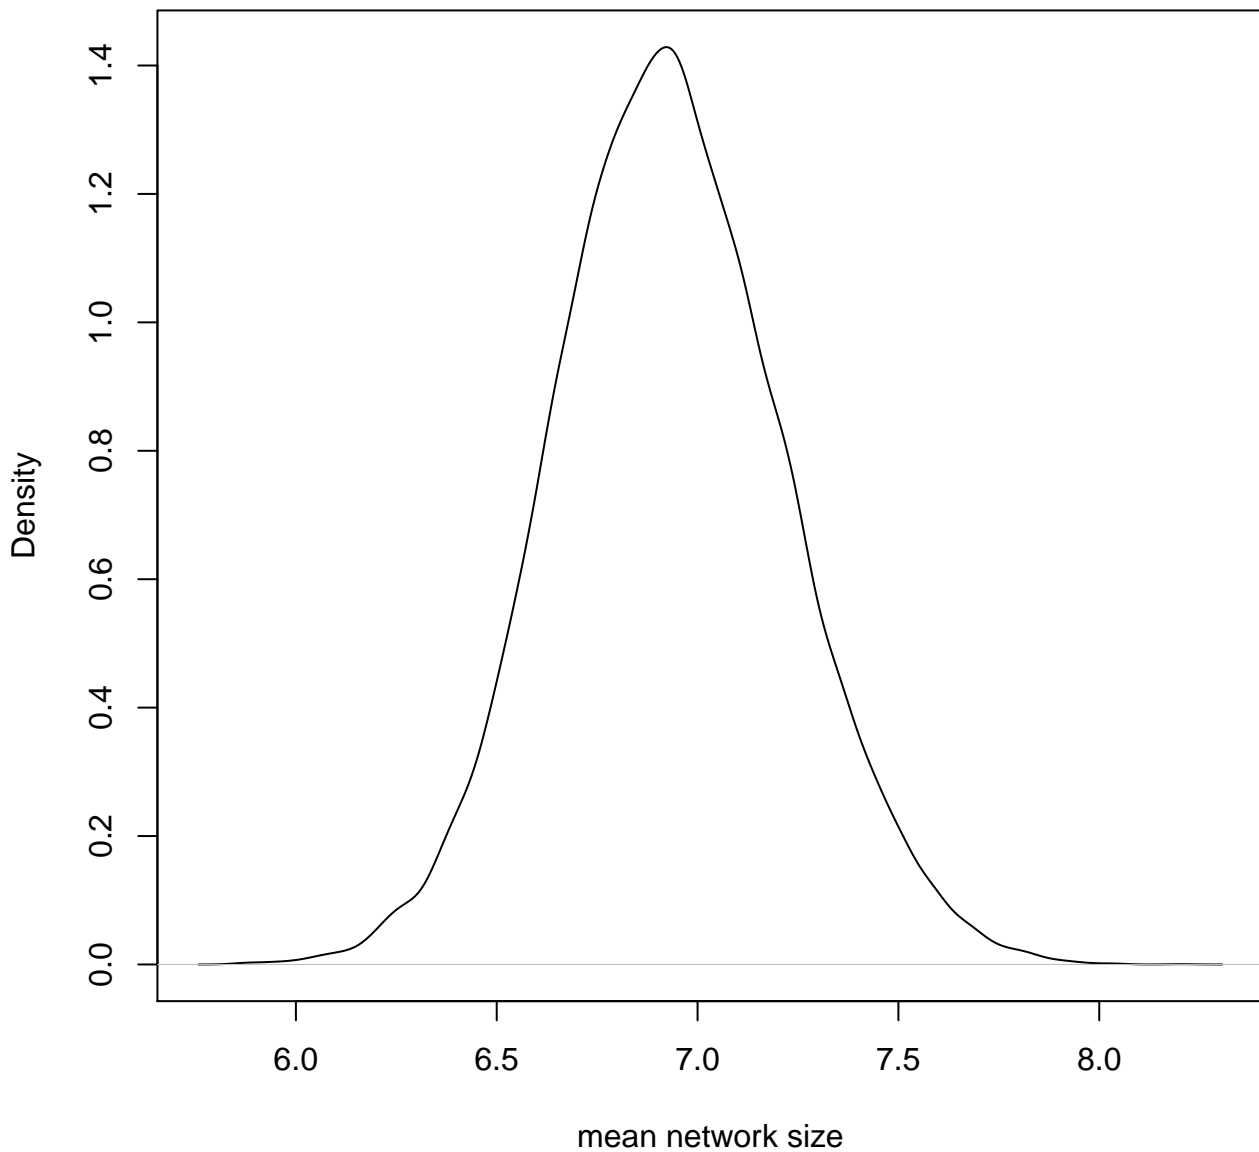

Density of nu

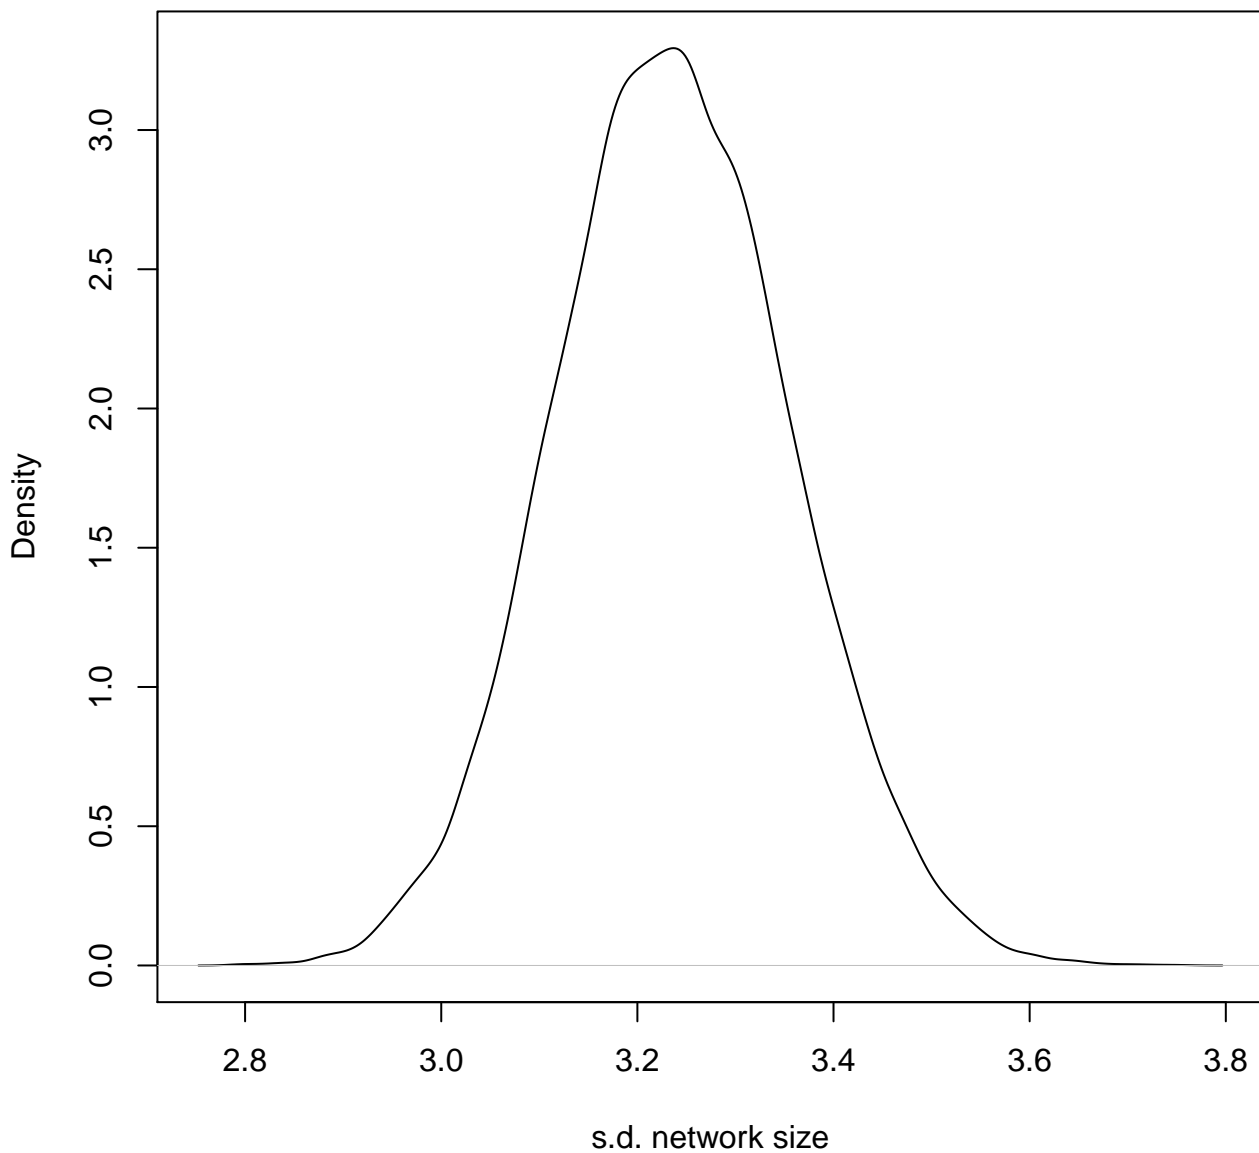

posterior for population size

posterior for mean network size in the population

posterior for s.d. of the network size

mean posterior network size distribution
