Welcome

Hello, we are conducting a study for the Rights Lab at the University of Nottingham. We want to know whether and to what extent domestic workers, like you, in the UK face the risks of exploitation and servitude. We hope that the results of this study will help to improve working conditions in the domestic work sector.

For this reason, your contribution is greatly appreciated and is crucial to the results of this study.

You will be compensated for your time and effort with a £10 Tesco voucher and have the chance to win a £150 voucher in a free draw. You can receive further rewards for connecting us with more respondents (you will receive £5 for each person you recommend who we then choose to approach and who goes on to complete the survey).

Please send the link to the survey to other domestic workers you know and let us know about the referral when we call you to confirm your survey completion in order to claim the extra vouchers. Each respondent can claim up to five successful referrals and please do not share the link to a group chat.

So, let us begin.
